<b>2. Service</b>	<b>By June 30, 2024, a minimum of 2053 patient care medical and 860 dental visits will be provided.</b>	<p>Medical mobile services were launched 07/12/2021. In the month of July, services were provided every Monday between the hours of 9am and 4pm. However, with the input from the DHG Wellness Committee it was later decided that the best day to render services would be Wednesdays due to early dismissal of students of the local schools as it is their minimum day and therefore taking advantage of the extended after school program at the James O Jessie Center.</p> <p>Services were promoted and marketed thru flyer distribution at local business, churches, during the James O Jessie Summer program and backpack giveaway event. The electronic flyer was also sent to the Palm Springs Unified School District who then shared it with families who reside and or attend schools in the Palm Springs area.</p> <p>The table below show the total number of patients seen in each respective month of this reporting period as well as the total number of pts and visits to date since the launched of Medical mobile Services.</p> <table border="1" style="margin-left: auto; margin-right: auto; border-collapse: collapse; text-align: center;"> <thead> <tr> <th></th> <th>July</th> <th>August</th> <th>Total</th> </tr> </thead> <tbody> <tr> <td><b>Number of Patients Served</b></td> <td>52</td> <td>62</td> <td>114</td> </tr> <tr> <td><b>Number of Visits</b></td> <td>52</td> <td>62</td> <td>114</td> </tr> <tr> <td><b>Medical</b></td> <td>52</td> <td>62</td> <td>114</td> </tr> <tr> <td><b>Dental</b></td> <td>0</td> <td>0</td> <td>0</td> </tr> <tr> <td><b>Total Uninsured</b></td> <td>8</td> <td>19</td> <td>27</td> </tr> </tbody> </table> <div style="text-align: center; margin-top: 20px;">  <p><b>Patients Seen to Date</b></p> <table border="1" style="margin-left: auto; margin-right: auto; border-collapse: collapse; text-align: center;"> <thead> <tr> <th>Date</th> <th>Patients Seen</th> </tr> </thead> <tbody> <tr> <td>7/12/2021</td> <td>4</td> </tr> <tr> <td>7/19/2021</td> <td>20</td> </tr> <tr> <td>7/26/2021</td> <td>28</td> </tr> <tr> <td>8/4/2021</td> <td>24</td> </tr> <tr> <td>8/11/2021</td> <td>13</td> </tr> <tr> <td>8/18/2021</td> <td>15</td> </tr> <tr> <td>8/25/2021</td> <td>10</td> </tr> </tbody> </table> </div>		July	August	Total	<b>Number of Patients Served</b>	52	62	114	<b>Number of Visits</b>	52	62	114	<b>Medical</b>	52	62	114	<b>Dental</b>	0	0	0	<b>Total Uninsured</b>	8	19	27	Date	Patients Seen	7/12/2021	4	7/19/2021	20	7/26/2021	28	8/4/2021	24	8/11/2021	13	8/18/2021	15	8/25/2021	10

## RFP-20201001 - Monthly REPORT

Goal	Goal/ Objective/ Other Topics	Successes, Emergent Issues, Challenges Findings and Supporting Information (Graphs, reports, indicator results, etc.)						
		<p>Due to the ever-changing situation related to the 2019 Novel Coronavirus (COVID-19) and most recently the surge in positive cases due to the Delta Variant, dental professionals continue to be considered of increased occupational risk because of their routine exposure to patient's airways and performance of aerosol-generating procedure. Due to the confine space of mobile clinics and the risk to our dental staff, Borrego Health did not launch dental services during this reporting period. Instead, it was agreed that patients encountered during the medical mobile days would be assessed for dental related needs and referred to Borrego's nearest dental clinic, at either Centro Medico Cathedral City or DHS Health and Wellness Center depending on patient preference. Shuttle services will be provided to and from our dental clinic as needed for patients who lack transportation. Borrego Health will continue to monitor data from the Riverside County of Public Health and recommendations from the CDC and ADA to determine the best time to launch mobile dental services at DHG, the Wellness Committee and DHCD will be informed as things continue to develop.</p>						
<p><b>3. Community Education/Event</b></p>	<p><b>Conduct community education events and activities once a month to address health care and other wellness topics</b></p>	<p>As a means to promote the mobile medial services, Borrego Health participated in two (2) community events organized by the James O Jessie Desert Highland Unity Center and the Palm Springs Public Arts Commission. WEDNESDAY, AUGUST 18TH / 2-6PM**

He will introduce himself and discuss his practice, the significance of his current installation "The Wishing Well", and how that work is relevant in both Palm Springs and Labadi, where he is based, before engaging with the attendants in collaborative artwork.

The proposal stems from a desire to create access to emergent viewpoints and expansive experiences, where children and adults will have an opportunity to understand how art can be used to platform political ideologies and activism, as a mode for advocacy, as creative expression, and as a way to use art as a tool to construct imaginative futurity.
