DESERT HEALTHCARE
DISTRICT & FOUNDATION

Date: January 25, 2022
To: Board of Directors
Subject: CV Equity Collaborative: COVID-19 Testing and Vaccine Update

Staff Recommendation: Informational item only

Background:

- The Desert Healthcare District and Foundation to received \$1.2 million from the County of Riverside and \$500,00 from The Public Health Institute to support targeted community-based outreach, education, and COVID-19 testing in partnership with community- and faith-based organizations that serve vulnerable communities in Coachella Valley, with an emphasis on Eastern Coachella Valley.
- The Desert Healthcare District and Foundation has established and leads The Coachella Valley Equity Collaborative (CVEC), which has brought together community-and faith-based organizations, government agencies (county and state), and local farm owners to address the COVID-19 epidemic and ensure there is a coordinated effort to maximize resources and prevent overlap is services and/or outreach.

COVID-19 Testing Update:

- The CVEC has coordinated multiple COVID-19 testing events that have been hosted throughout the Coachella Valley. The tests include both rapid testing (BiNex Now) and PCR testing (Curative).
- RUHS Department of Public Health provided the CVEC Promotoras training COVID-19 rapid testing kits and PCR tests. A total of 43 Promotoras and staff from partner organizations participated in the training. A follow-up training is scheduled for Friday, January 28th.
- A partnership with DSUSD has established a rotating schedule testing site for students, staff, and community members. CVUSD launched a free testing campaign at 21 school sites, including the CVUSD District offices. Testing will be made available to CVUSD students, family, and staff. Limited COVID-19 testing resources have scaled back some testing sites and/or individuals who qualify to get tested.

- A weekly testing site at the TODEC offices in Coachella was previously only scheduled on Monday's from 9am to 5pm, but due to high demand the clinic is now operating Monday through Wednesday.
- To date, a total of **88** testing clinics resulting in more than **8,000** COVID-19 tests at events organized by the CVEC and the RUHS-Department of Public Health.

COVID-19 Vaccination Update

- Since the launch of the first COVID-19 vaccine event at Tudor Ranch, Inc. multiple on-site registrations and vaccination events have been held. To date, a total of more than **235** COVID-19 vaccination clinics resulting in **38,126** COVID-19 vaccines have been provided to District residents in vaccination clinics hosted by the CVEC in partnership with the RUHS-Department of Public Health and Rite-Aid pharmacies and Borrego Health.
- Using RUHS Department of Public Health vaccination data, special emphasis is being placed on the three Coachella Valley cities with the lowest vaccination rates. Those cities include Coachella, Indio, and Desert Hot Springs. A comprehensive community outreach plan has been developed with community partners to ensure those cities are targeted by door-to-door outreach, tabling events, and social media outreach.
- In partnership with CVUSD and DSUSD the CVEC has hosted various pediatric vaccination clinics for children ages 5-11 and their families. At all new pediatric vaccination clinics hosted by the CVEC, all vaccinated children receive a “goodie” bag with an educational activity booklet developed by El Sol NEC, hand sanitizer holders, children surgical masks with fun designs, and a superhero mask.
- In partnership with Growing CV, **two** Pfizer booster vaccine clinics were hosted on November 3rd and 4th at Grimmway Farms in Thermal, where **495** farmworkers were vaccinated. And **two** additional two Pfizer booster vaccination clinics were held on December 2nd and 3rd at Belk Farms in Thermal, where a total of **474** farmworkers were vaccinated.
- In collaboration with College of the Desert (COD) and Borrego Health, COVID-19 vaccination and a testing clinic has been scheduled at the main campus in Palm Desert every Tuesday from 9am to 1pm.
- In partnership with the San Bernardino Catholic Diocese, a new schedule of testing and vaccination clinics has been finalized and will bring clinics to churches in Mecca, Coachella, and Cathedral City.
- An online community calendar of testing and vaccination clinics has been placed on the DHCD website to make it easier for community members looking for these resources.

Fiscal Impact:

Riverside County Contract: \$2,400,000, of which \$440,000 will support/compensate DHCF staff.

Public Health Institute grant: \$725,000, of which \$90,000 will support/compensate DHCF staff

Date: January 25, 2022
To: BOARD OF DIRECTORS
Subject: Behavioral Health Initiative Informational Update

Staff Recommendation: Information only

History/Background:

- An area of focus for the working groups is the ability to expand behavioral health services within the Coachella Valley beyond traditional service hours (Example: Monday – Friday, 9am – 5pm, etc.) while also seeking opportunities to grow the workforce to support this type of expansion. A questionnaire has been generated to local service providers to gain information related to their capacity to expand services and what obstacles exist that might inhibit progress in this area. The results from the survey are still being collected and analyzed and will be shared more fully in the February DHCDF Board of Directors meeting.
- The Governor’s 2022-23 Proposed Budget has been published. If approved, this budget identifies a continued focus on funding Medi-Cal innovations (CalAIM’s), establishment of Telehealth protocols to better support this mode of treatment, children’s mental health services and funding of the development of the Federal 988 hotline mandate. Many of these proposed improvements align with the DHCDF Strategic Plan and will improve the behavioral health support experiences of our community members once implemented.
