

California **CARE COURT**

New legislation in effect **October 1, 2023**, in Riverside County allows family members and others to petition the Court to order behavioral health treatment.

*Don't wait until **October 1** to receive behavioral health services!*

CALL THE CARES LINE

to be connected to behavioral health services in Riverside County 24/7

800-499-3008

The Community Access, Referral, Evaluation, and Support line (**CARES Line**) is available 24 hours a day, 7 days a week, and provides screening and linkage to both Mental Health and Substance Use programs. Calls are answered by compassionate, trained staff who can provide information and referral in English and Spanish.
