- (a.) Beginning with the calendar year following the Base Year and for each calendar year thereafter ("comparison Year"), Tenant shall pay Landlord an amount equal to Tenant's Proportionate Share of the Project Operating Costs incurred by Landlord in the Comparison Year which exceeds the total amount of Project Operating Costs payable by Landlord for the Base Year.   - (c.) On or before April 1 of each Comparison Year after the first Comparison Year (or as soon thereafter as is practical), Landlord shall deliver to Tenant a statement setting forth Tenant's Proportionate Share of the Excess Expenses for the preceding Comparison Year. If Tenant's Proportionate Share of the actual Excess Expenses for the previous Comparison Year exceeds the total of the estimated monthly payments made by Tenant for such year, Tenant shall pay Landlord the amount of the deficiency within ten (10) days of the receipt of the statement. If such total exceeds Tenant's Proportionate Share of the actual Excess Expenses for such Comparison Year, then Landlord shall credit against Tenant's next ensuing monthly installment(s) of additional rent an amount equal to the difference until the credit is exhausted. If the credit is due from Landlord on the Expiration Date, Landlord shall pay Tenant the amount of the credit. The obligations of Tenant and Landlord to make payments required under this Section 5.3 shall survive the Expiration Date.
  - (d.) Tenant's Proportionate Share of Excess Expenses in any Comparison Year having less than 365 days shall be appropriately prorated.
  - (e.) If any dispute arises as to the amount of any additional rent due hereunder, Tenant shall have the right after reasonable notice and at reasonable times to inspect Landlord's accounting records at Landlord's accounting office and, if after such inspection Tenant still disputes the amount of additional rent owed, a certification as to the proper amount shall be made by Landlord's certified public accountant, which certification shall be final and conclusive. Tenant agrees to pay the cost of such certification unless it is determined that Landlord's original statement overstated Project Operating Costs by more than five percent (5%).
  - (f.) If this Lease sets forth an Expense Stop at Section 2f, then during the Term, Tenant shall be liable for Tenant's Proportionate Share of any actual Project Operating Costs which exceed the amount of the Expense Stop. Tenant shall make current payments of such excess costs during the Term in the same manner as is provided for payment of Excess Expenses under the applicable provisions of Section 5.3(2)(b) and (c) above.

5.4 *Definition of Rent:* The Rent shall be paid to the Building manager (or other person) and at such place, as Landlord may from time to time designate in writing, without any prior demand therefore and without deduction or offset, in lawful money of the United States of America.

5.5 *Rent Control:* If the amount of Rent or any other payment due under this Lease violates the terms of any governmental restrictions on such Rent or payment, then the Rent or payment due during the period of such restrictions shall be the maximum amount allowable under those restrictions. Upon termination of the restrictions, Landlord shall, to the extent it is legally permitted, recover from Tenant the difference between the amounts received during the period of the restrictions and the amounts Landlord would have received had there been no restrictions.

5.6 *Taxes Payable by Tenant*: In addition to the Rent and any other charges to be paid by Tenant hereunder, Tenant shall reimburse Landlord upon demand for any and all taxes payable by Landlord (other than net income taxes) which are not otherwise reimbursable under this Lease, whether or not now customary or within the contemplation of the parties, where such taxes are upon, measured by or reasonably attributable to (a) the cost or value of Tenant's equipment, furniture, fixtures and other personal property located in the Premises, or the cost or value of any leasehold improvements made in or to the Premises by or for Tenant, other than Building Standard Work made by Landlord, regardless of whether title to such improvements is held by Tenant or Landlord; (b) the gross or net Rent payable under this Lease, including, without limitation, any rental or gross receipts tax levied by any taxing authority with respect to the receipt of the Rent hereunder; (c) the possession, leasing, operation, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises or any portion thereof; or (d) this transaction or any document to which Tenant is a party creating or transferring an interest or an estate in the Premises. If it becomes unlawful for Tenant to reimburse Landlord for any costs as required under this Lease, the Base Rent shall be revised to net Landlord the same net Rent after imposition of any tax or other charge upon Landlord as would have been payable to Landlord but for the reimbursement being unlawful.

5.7 *Tenant Improvement Allowance*: In recognition for Tenant completing all improvements to the premises as mutually agreed by Landlord and Tenant, Landlord shall provide Tenant with a total Tenant improvement allowance not to exceed that set forth in Section 2j upon completion of agreed Tenant improvements. This allowance will be reimbursed to tenant upon satisfactory receipt of paid invoices and inspection by Property Management that work has been satisfactorily completed. Any additional tenant improvements will be at the sole expense of the Tenant. Improvements shall conform to a high quality of design approved by Landlord prior to commencement of work and shall be performed by a licensed General Contractor approved by Landlord in advance. Tenant shall submit plans and specifications for any and all improvements to Landlord, and where necessary, the City of Palm Springs and other applicable government agencies for their required approval (if any) prior to commencement of work. Tenant and the General Contractor shall indemnify and hold Landlord and its officers, agents and employees harmless from any liability resulting from the tenant improvement work and shall be named as an additional insured on the insurance policy of both the Tenant and the General Contractor. All costs shall be subject to prevailing wages and if construction costs exceed \$25,000, then the tenant improvements shall also be subject to California competitive bid statutes.

## 6. INTEREST AND LATE CHARGES.

If Tenant fails to pay when due any Rent or other amounts or charges which Tenant is obligated to pay under the terms of this Lease, the unpaid amounts shall bear interest at the maximum rate then allowed by law. Tenant acknowledges that the late payment of any Monthly Installment of Base Rent will cause Landlord to lose the use of that money and incur costs and expenses not contemplated under this Lease, including without limitation, administrative and collection costs and processing and accounting expenses, the exact amount of which is extremely difficult to ascertain. Therefore, in addition to interest, if any such installment is not received by Landlord within five (5) days from the date it is due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of such installment. Landlord and Tenant agree that this late charge represents a reasonable estimate of such costs and expenses and is fair compensation to Landlord for the loss suffered from such nonpayment by Tenant. Acceptance of any interest or late charge shall not constitute a waiver of Tenant's default with respect to such nonpayment by Tenant nor prevent Landlord from exercising any other rights or remedies available to Landlord under this Lease.

## 7. SECURITY DEPOSIT.

Tenant agrees to deposit with Landlord the Security Deposit set forth at Section 2.0 upon execution of this Lease, as security for Tenant's faithful performance of its obligations under this Lease. Landlord and Tenant agree that the Security Deposit may be commingled with funds of Landlord and Landlord shall have no obligation or liability for payment of interest on such deposit. Tenant shall not mortgage, assign, transfer, or encumber the Security Deposit without the prior written consent of Landlord and any attempt by Tenant to do so shall be void, without force or effect and shall not be binding upon Landlord.

If Tenant fails to pay Rent or other amount when due and payable under this Lease, or fails to perform any of the terms hereof, Landlord may appropriate and apply or use all or any portion of the Security Deposit for Rent payments or any other amount then due and unpaid, for payment of any amount for which Landlord has become obligated as a result of Tenant's default or breach, and for any loss or damage sustained by Landlord as a result of Tenant's default or breach, and Landlord may so apply or use this deposit without prejudice to any other remedy Landlord may have by reason of Tenant's default or breach. If Landlord so uses any of the Security Deposit, Tenant shall, within ten (10) days after written demand, therefore, restore the Security Deposit to the full amount originally deposited; Tenant's failure to do so shall constitute an act of default hereunder and Landlord shall have the right to exercise any remedy provided for at Article 27 hereof. Within fifteen (15) days after the Term (or any extension thereof) has expired or Tenant has vacated the Premises, whichever shall last occur, and provided Tenant is not then in default on any of its obligations hereunder, Landlord shall return the Security Deposit to Tenant, or, if Tenant has assigned its interest under this Lease, to the last assignee of Tenant. If Landlord sells its interest in the Premises, Landlord may deliver this deposit to the purchaser of Landlord's interest and thereupon be relieved of any further liability or obligation with respect to the Security Deposit.

## 8. TENANT'S USE OF THE PREMISES

\_\_\_\_\_ District \_\_\_\_\_ Recipient

Tenant shall use the Premises solely for the purposes set forth in Tenant's Use Clause. Tenant shall not use or occupy the Premises in violation of law or any covenant, condition or restriction affecting the Building or Project, or the certificate of occupancy issued for the Building or Project, and shall, upon notice from Landlord, immediately discontinue any use of the Premises which is declared by any governmental authority having jurisdiction to be a violation of law or the certificate of occupancy. Tenant, at Tenant's own cost and expense, shall comply with all laws, ordinances, regulations, rules and/or any directions of any governmental agencies or authorities having jurisdiction which shall, by reason of the nature of Tenant's use or occupancy of the Premises, impose any duty upon Tenant or Landlord with respect to the Premises or its use or occupation. A judgment of any court of competent jurisdiction or the admission by Tenant in any action or proceeding against Tenant that Tenant has violated any such laws, ordinances, regulations, rules and/or directions in the use of the Premises shall be deemed to be a conclusive determination of that fact as between Landlord and Tenant. Tenant shall not do or permit to be done anything, which will invalidate or increase the cost of any fire, extended coverage or other insurance policy covering the Building or Project and/or property located therein, and shall comply with all rules, orders, regulations, requirements and recommendations of the Insurance Services Office or any other organization performing a similar function. Tenant shall promptly upon demand reimburse Landlord for any additional premium charged for such policy by reason of Tenant's failure to comply with the provisions of this Article. Tenant shall not do or permit anything to be done in or about the Premises which will in any way obstruct or interfere with the rights of other tenants or occupants of the Building or Project, or injure or annoy them, or use or allow the Premises to be used for any improper, immoral, unlawful, or objectionable purpose, nor shall Tenant cause, maintain or permit any nuisance in, on or about the Premises. Tenant shall not commit or suffer to be committed any waste in or upon the Premises.

#### 9. SERVICES AND UTILITIES.

Provided that Tenant is not in default hereunder, Landlord agrees to furnish to the Premises during generally recognized business days, and during hours determined by Landlord in its sole discretion, and subject to the Rules and Regulations of the Building or Project, electricity for normal desk top office equipment and normal copying equipment, and heating, ventilation and air conditioning ("HVAC") as required in Landlord's judgment for the comfortable use and occupancy of the Premises. If Tenant desires HVAC at any other time, Landlord shall use reasonable efforts to furnish such service upon reasonable notice from Tenant and Tenant shall pay Landlord's charges therefore on demand. Landlord shall also maintain and keep lighted the common stairs, common entries and restrooms in the Building. Landlord shall not be in default hereunder or be liable for any damages directly or indirectly resulting from, nor shall the Rent be abated by reason of (i) the installation, use or interruption of use of any equipment in connection with the furnishing of any of the foregoing services, (ii) failure to furnish or delay in furnishing any such services where such failure or delay is caused by accident or any condition or event beyond the reasonable control of Landlord, or by the making of necessary repairs or improvements to the Premises, Building or Project, or (iii) the limitation, curtailment or rationing of, or restrictions on, use of water, electricity, gas or any other form of energy serving the Premises, Building or Project. Landlord shall not be liable under any circumstances for a loss of or injury to property or business, however occurring, through or in connection with or incidental to failure to furnish any such services. If Tenant uses heat generating machines or equipment in the Premises which affect the temperature otherwise maintained by the HVAC system, Landlord reserves the right to install supplementary air conditioning units in the Premises and the cost thereof, including the cost of installation, operation and maintenance thereof, shall be paid by Tenant to Landlord upon demand by Landlord.

Tenant shall not, without the written consent of Landlord, use any apparatus or device in the Premises, including without limitation, electronic data processing machines, punch card machines or machines using in excess of 120 volts, which consumes more electricity than is usually furnished or supplied for the use of premises as general office space, as determined by Landlord. Tenant shall not connect any apparatus with electric current except through existing electrical outlets in the Premises. Tenant shall not consume water or electric current in excess of that usually furnished or supplied for the use of premises as general office space (as determined by Landlord), without first procuring the written consent of Landlord, which Landlord may refuse, and in the event of consent, Landlord may have installed a water meter or electrical current meter in the Premises to measure the amount of water or electric current consumed. The cost of any such meter and of its installation, maintenance and repair shall be paid for by the Tenant and Tenant agrees to pay to Landlord Promptly upon demand for all such water and electric current consumed as shown by said meters, at the rates charged for such services by the local public utility plus any additional expense incurred in keeping account of the water and electric current so consumed. If a separate meter is not installed, the excess cost for such water and electric current shall be established by an estimate made by a utility company or electrical engineer hired by Landlord at Tenant's expense.

Nothing contained in this Article shall restrict Landlord's right to require at any time separate metering of utilities furnished to the Premises. In the event utilities are separately metered, Tenant shall pay promptly upon demand for all utilities consumed at utility rates charged by the local public utility plus any additional expense incurred by Landlord in keeping account of the utilities so consumed. Tenant shall be responsible for the maintenance and repair of any such meters at its sole cost.

Landlord shall furnish elevator service, lighting replacement for building standard lights, restroom supplies, window washing and janitor services of common area in a manner that such services are customarily furnished to comparable office buildings in the area.

#### 10. CONDITION OF THE PREMISES.

\_\_\_\_\_ District \_\_\_\_\_ Recipient

Tenant's taking possession of the Premises shall be deemed conclusive evidence that as of the date of taking possession of the Premises are in good order and satisfactory condition, except for such matters as to which Tenant gave Landlord notice on or before the Commencement Date. No promise of Landlord to alter, remodel, repair or improve the Premises, the Building or the Project and no representation, express or implied, respecting any matter or thing relating to the Premises, Building, Project or this Lease (including, without limitation, the condition of the Premises, the Building or the Project) have been made to Tenant by Landlord or its Broker or Sales Agent, other than as may be contained herein or in a separate exhibit or addendum signed by Landlord and Tenant.

## II. CONSTRUCTION, REPAIRS AND MAINTENANCE.

- a. *Landlord's Obligations:* Landlord shall maintain in good order, condition and repair the Building and all other portions of the Premises not the obligation of Tenant or of any other tenant in the Building.
- b. *Tenant's Obligations:*

  - (2.) Tenant at Tenant's sole expense shall, except for services furnished by Landlord pursuant to Article 9 hereof, maintain the Premises in good order, condition and repair, including the interior surfaces of the ceilings, walls and floors, all doors, all interior windows, all plumbing, pipes and fixtures, electrical wiring, switches and fixtures, Building Standard furnishings and special items and equipment installed by or at the expense of Tenant.
  - (3.) Tenant shall be responsible for all repairs and alterations in and to the Premises, Building and Project and the facilities and systems thereof, the need for which arises out of (i) Tenant's use or occupancy of the Premises, (ii) the installation, removal, use or operation of Tenant's Property (as defined in Article 13) in the Premises, (iii) the moving of Tenant's Property into or out of the Building, or (iv) the act, omission, misuse or negligence of Tenant, its agents, contractors, employees or invitees.
  - (4.) If Tenant fails to maintain the Premises in good order, condition and repair, Landlord shall give Tenant notice to do such acts as are reasonably required to so maintain the Premises. If Tenant fails to promptly commence such work and diligently prosecute it to completion, then Landlord shall have the right to do such acts and expend such funds at the expense of Tenant as are reasonably required to perform such work. Any amount so expended by Landlord shall be paid by Tenant promptly after demand with interest at the prime commercial rate then being charged by Bank of America NT & SA plus two percent (2%) per annum, from the date of such work, but not to exceed the maximum rate then allowed by law. Landlord shall have no liability to Tenant for any damage, inconvenience, or interference with the use of the Premises by Tenant as a result of performing any such work.
- c. *Compliance with Law:* Landlord and Tenant shall each do all acts required to comply with all applicable laws, ordinances, and rules of any public authority relating to their respective maintenance obligations as set forth herein.
- d. *Waiver by Tenant:* Tenant expressly waives the benefits of any statute now or hereafter in effect which would otherwise afford the Tenant the right to make repairs at Landlord's expense or to terminate this Lease because of Landlord's failure to keep the Premises in good order, condition and repair.
- e. *Load and Equipment Limits:* Tenant shall not place a load upon any floor of the Premises which exceeds the load per square foot which such floor was designed to carry, as determined by Landlord or Landlord's structural engineer. The cost of any such determination made by Landlord's structural engineer shall be paid for by Tenant upon demand. Tenant shall not install business machines or mechanical equipment which cause noise or vibration to such a degree as to be objectionable to Landlord or other Building tenants.
- f. Except as otherwise expressly provided in this Lease, Landlord shall have no liability to Tenant nor shall Tenant's obligations under this Lease be reduced or abated in any manner whatsoever by reason of any inconvenience, annoyance, interruption or injury to business arising from Landlord's making any repairs or changes which Landlord is required or permitted by this Lease or by any other tenant's lease or required by law to make in or to any portion of the Project, Building or the Premises. Landlord shall nevertheless use reasonable efforts to minimize any interference with Tenant's business in the Premises.
- g. Tenant shall give Landlord prompt notice of any damage to or defective condition in any part or appurtenance of the Building's mechanical, electrical, plumbing, HVAC or other systems serving, located in, or passing through the Premises.
- h. Upon the expiration or earlier termination of this Lease, Tenant shall return the Premises to Landlord clean and in the same condition as on the date Tenant took possession, except for normal wear and tear. Any damage to the Premises, including any structural damage, resulting from Tenant's use or from the removal of Tenant's fixtures, furnishings and equipment pursuant to Section 13b shall be repaired by Tenant at Tenant's expense.

## 12. ALTERATIONS AND ADDITIONS.

\_\_\_\_\_ District      \_\_\_\_\_ Recipient

- a. Tenant shall not make any additions, alterations or improvements to the Premises without obtaining the prior written consent of Landlord. Landlord's consent may be conditioned on Tenant's removing any such additions, alterations or improvements upon the expiration of the term and restoring the Premises to the same condition as on the date Tenant took possession. All work with respect to any addition, alteration or improvement shall be done in a good and workmanlike manner by properly qualified and licensed personnel approved by Landlord, and such work shall be diligently prosecuted to completion. Landlord may, at Landlord's option, require that any such work be performed by Landlord's contractor in which case the cost of such work shall be paid for before commencement of the work. Tenant shall pay to Landlord upon completion of any such work by Landlord's contractor, an administrative fee of fifteen percent (15%) of the cost of the work.
- b. Tenant shall pay the costs of any work done on the Premises pursuant to Section 12a, and shall keep the Premises, Building and Project free and clear of liens of any kind. Tenant shall indemnify, defend against and keep Landlord free and harmless from all liability, loss, damage, costs, attorneys' fees and any other expense incurred on account of claims by any person performing work or furnishing materials or supplies for Tenant or any person claiming under Tenant.

Tenant shall keep Tenant's leasehold interest, and any additions or improvements which are or become the property of Landlord under this Lease, free and clear of all attachment or judgment liens. Before the actual commencement of any work for which a claim or lien may be filed, Tenant shall give Landlord notice of the intended commencement date a sufficient time before that date to enable Landlord to post notices of non-responsibility or any other notices which Landlord deems necessary for the proper protection of Landlord's interest in the Premises, Building or the Project, and Landlord shall have the right to enter the Premises and post such notice at any reasonable time.

- c. Landlord may require, at Landlord's sole option, that Tenant provide to Landlord, at Tenant's expense, a lien and completion bond in an amount equal to at least one and one-half (1.5) times the total estimated cost of any additions, alterations or improvements to be made in or to the Premises, to protect Landlord against any liability for mechanic's and material men's liens and to insure timely completion of the work. Nothing contained in this Section 12c shall relieve Tenant of its obligations under Section 12b to keep the Premises, Building and Project free of all liens.
- d. Unless their removal is required by Landlord as provided in Section 12a, all additions, alterations and improvements made to the Premises shall become the property of Landlord and be surrendered with the Premises upon the expiration of the Term; provided, however, Tenant's equipment, machinery and trade fixtures which can be removed without damage to the Premises shall remain the property of Tenant and may be removed, subject to the provisions of Section 13b.

**13. LEASEHOLD IMPROVEMENTS; TENANT'S PROPERTY.**

- a. All fixtures, equipment, improvements and appurtenances attached to or built into the Premises at the commencement of or during the Term, whether or not by or at the expense of Tenant ("Leasehold Improvements"), shall be and remain a part of the Premises, shall be the property of Landlord and shall not be removed by Tenant, except as expressly provided in Section 13b.
- b. All movable partitions, business and trade fixtures, machinery and equipment, communications equipment and office equipment located in the Premises and acquired by or for the account of Tenant, without expense to Landlord, which can be removed without structural damage to the Building, and all furniture, furnishings and other articles of movable personal property owned by Tenant and located in the Premises (collectively "Tenant's Property") shall be and shall remain the property of Tenant and may be removed by Tenant at any time during the Term; provided that if any of Tenant's Property is removed, Tenant shall promptly repair any damage to the Premises or to the Building resulting from such removal.

**14. RULES AND REGULATIONS.**

Tenant agrees to comply with (and cause its agents, contractors, employees and invitees to comply with) the rules and regulations attached hereto as Exhibit "D" and with such reasonable modifications thereof and additions thereto as Landlord may from time to time make. Landlord shall not be responsible for any violation of said rules and regulations by other tenants or occupants of the Building of Project.

**15. CERTAIN RIGHTS RESERVED BY LANDLORD.**

Landlord reserves the following rights, exercisable without liability to Tenant for (a) damage or injury to property, person or business, (b) causing an actual or constructive eviction from the Premises, or (c) disturbing Tenant's use or possession of the Premises:

- a. To name the Building and Project and to change the name or street address of the Building or Project;
- b. To install and maintain all signs on the exterior and interior of the Building and Project;

\_\_\_\_\_ District      \_\_\_\_\_ Recipient

- c. To have pass keys to the Premises and all doors within the Premises, eluding Tenant's vaults and safes;
- d. At any time during the Term, and on reasonable prior notice to Tenant, to inspect the Premises, and to show the Premises to any prospective purchaser or mortgagee of the Project, or to any assignee of any mortgage on the Project, or to others having an interest in the Project or Landlord, and during the last six months of the Term, to show the Premises to prospective tenants thereof; and
- e. To enter the Premises for the purpose of making inspections, repairs, alterations, additions or improvements to the Premises or the Building (including, without limitation, checking, calibrating, adjusting or balancing controls and other parts of the HVAC system), and to take all steps as may be necessary or desirable for the safety, protection, maintenance or preservation of the Premises or the Building or Landlord's interest therein, or as may be necessary or desirable for the operation or improvement of the Building or in order to comply with laws, orders or requirements of governmental or other authority. Landlord agrees to use its best efforts (except in an emergency) to minimize interference with Tenant's business in the Premises in the course of any such entry.

**16. ASSIGNMENT AND SUBLETTING.**

No assignment of this Lease or sublease of all or any part of the Premises shall be permitted, except as provided in this Article 16.

- a. Tenant shall not, without the prior written consent of Landlord, assign or hypothecate this Lease or any interest herein or sublet the Premises or any part thereof, or permit the use of the Premises by any party other than Tenant. Any of the foregoing acts without such consent shall be void and shall, at the option of Landlord, terminate this Lease. This Lease shall not, nor shall any interest of Tenant herein, be assignable by operation of law without the written consent of Landlord.
- b. If at any time or from time to time during the Term Tenant desires to assign this Lease or sublet all or any part of the Premises, Tenant shall give notice to Landlord setting forth the terms and provisions of the proposed assignment or sublease, and the identity of the proposed assignee or subtenant. Tenant shall promptly supply Landlord with such information concerning the business background and financial condition of such proposed assignee or subtenant as Landlord may reasonably request. Landlord shall have the option, exercisable by notice given to Tenant within twenty (20) days after Tenant's notice is given, either to sublet such space from Tenant at the rental and on the other terms set forth in this Lease for the term set forth in Tenant's notice, or, in the case of an assignment, to terminate this Lease. If Landlord does not exercise such option, Tenant may assign the Lease or sublet such space to such proposed assignee or subtenant on the following further conditions:
  - (1.) Landlord shall have the right to approve such proposed assignee or subtenant, which approval shall not be unreasonably withheld;
  - (2.) The assignment or sublease shall be on the same terms set forth in the notice given to Landlord;
  - (3.) No assignment or sublease shall be valid and no assignee or sub lessee shall take possession of the Premises until an executed counterpart of such assignment or sublease has been delivered to Landlord;
  - (4.) No assignee or sub lessee shall have a further right to assign or sublet except on the terms herein contained; and
  - (5.) Any sums or other economic consideration received by Tenant as a result of such assignment or subletting, however denominated under the assignment or sublease, which exceed, in the aggregate, (i) the total sums which Tenant is obligated to pay Landlord under this Lease (prorated to reflect obligations allocable to any portion of the Premises subleased), plus (ii) any real estate brokerage commissions or fees payable in connection with such assignment or subletting, shall be paid to Landlord as additional rent under this Lease without affecting or reducing any other obligations of Tenant hereunder.
- c. Notwithstanding the provisions of paragraphs a and b above, Tenant may assign this Lease or sublet the Premises or any portion thereof, without Landlord's consent and without extending any recapture or termination option to Landlord, to any corporation which controls, is controlled by or is under common control with Tenant, or to any corporation resulting from a merger or consolidation with Tenant, or to any person or entity which acquires all the assets of Tenant's business as a going concern, provided that (i) the assignee or sub lessee assumes, in full, the obligations of Tenant under this Lease, (ii) Tenant remains fully liable under this Lease, and (iii) the use of the Premises under Article 8 remains unchanged.
- d. No subletting or assignment shall release Tenant of Tenant's obligations under this Lease or alter the primary liability of Tenant to pay the Rent and to perform all other obligations to be performed by Tenant hereunder. The acceptance of Rent by landlord from any other person shall not be deemed to be a waiver by Landlord of any provision hereof. Consent to one assignment or subletting shall not be deemed consent to any subsequent assignment or subletting. In the event of default by an assignee or subtenant or any successor of Tenant in the performance of any of the terms hereof, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against such assignee, subtenant or successor. Landlord may consent to subsequent assignments of the Lease or sub lettings or amendments or modifications to the Lease with assignees of tenant,

\_\_\_\_\_ District \_\_\_\_\_ Recipient

without notifying Tenant, or any successor of Tenant, and without obtaining its or their consent thereof and any such actions shall not relieve Tenant of liability under this Lease.

- e. If Tenant assigns the Lease or sublets the Premises or requests the consent of Landlord to any assignment or subletting or if Tenant requests the consent of Landlord for any act that Tenant proposes to do, then Tenant shall, upon demand, pay Landlord an administrative fee of One Hundred Fifty and No/100 Dollars (\$150.00) plus any attorney's fees reasonably incurred by Landlord in connection with such act or request.

#### 17. HOLDING OVER.

If after expiration of the Term, Tenant remains in possession of the Premises with Landlord's permission (express or implied), Tenant shall become a tenant from month to month only, upon all the provisions of this Lease (except as to term and Base Rent), but the "Monthly Installments of Base Rent" payable by Tenant shall be increased to one hundred fifty percent (150%) of the Monthly Installments of Base Rent payable by Tenant at the expiration of the Term. Such monthly rent shall be payable in advance on or before the first day of each month. If either party desires to terminate such month-to-month tenancy, it shall give the other party not less than thirty (30) days advance written notice of the date of termination.

#### 18. SURRENDER OF PREMISES.

- a. Tenant shall peaceably surrender the Premises to Landlord on the Expiration Date, in broom-clean condition and in as good condition as when Tenant took possession, except for (i) reasonable wear and tear, (ii) loss by fire or other casualty, and (iii) loss by condemnation. Tenant shall, on Landlord's request, remove Tenant's Property on or before the Expiration Date and promptly repair all damage to the Premises or Building caused by such removal.
- b. If Tenant abandons or surrenders the Premises, or is dispossessed by process of law or otherwise, any of Tenant's Property left on the Premises shall be deemed to be abandoned, and, at Landlord's option, title shall pass to Landlord under this Lease as by a bill of sale. If Landlord elects to remove all or any part of such Tenant's Property, the cost of removal, including repairing any damage to the Premises or Building caused by such removal, shall be paid by Tenant. On the Expiration Date Tenant shall surrender all keys to the Premises.

#### 19. DESTRUCTION OR DAMAGE.

- a. If the Premises or the portion of the Building necessary for Tenant's occupancy is damaged by fire, earthquake, act of God, the elements, or other casualty, Landlord shall, subject to the provisions of this Article, promptly repair the damage, if such repairs can, in Landlord's opinion, be completed within ninety (90) days. If Landlord determines that repairs can be completed within ninety (90) days, this Lease shall remain in full force and effect, except that if such damage is not the result of the negligence or willful misconduct of Tenant or Tenant's agents, employees, contractors, licensees, or invitees, the Base Rent shall be abated to the extent Tenant's use of the Premises is impaired, commencing with the date of damage and continuing until completion of the repairs required of Landlord under Section 19d.
- b. If in Landlord's opinion, such repairs to the Premises or portion of the Building necessary for Tenant's occupancy cannot be completed within ninety (90) days, Landlord may elect, upon notice to Tenant given within thirty (30) days after the date of such fire or other casualty, to repair such damage, in which event this Lease shall continue in full force and effect, but the Base Rent shall be partially abated as provided in Section 19a. If Landlord does not so elect to make such repairs, this Lease shall terminate as of the date of such fire or other casualty.
- c. If any other portion of the Building or Project is totally destroyed or damaged to the extent that in Landlord's opinion repair thereof cannot be completed within ninety (90) days, Landlord may elect upon notice to Tenant given within thirty (30) days after the date of such fire or other casualty, to repair such damage, in which event this Lease shall continue in full force and effect, but the Base Rent shall be partially abated as provided in Section 19a. If Landlord does not so elect to make such repairs, this Lease shall terminate as of the date of such fire or other casualty.
- d. If the Premises are to be repaired under this Article, Landlord shall repair at its cost any injury or damage to the Building and Building Standard Work in the Premises. Tenant shall be responsible at its sole cost and expense for the repair, restoration, and replacement of any other Leasehold Improvements and Tenant's Property. Landlord shall not be liable for any loss of business, inconvenience or annoyance arising from any repair or restoration of any portion of the Premises, Building, or Project as a result of any damage from fire or other casualty.
- e. This Lease shall be considered an express agreement governing any case of damage to or destruction of the Premises, Building, or Project by fire or other casualty, and any present or future law which purports to govern the rights of Landlord and Tenant in such circumstances in the absent of express agreement, shall have no application.

#### 20. EMINENT DOMAIN.

\_\_\_\_\_ District \_\_\_\_\_ Recipient

- a. If the whole of the Building or Premises is lawfully taken by condemnation or in any other manner for any public or quasi-public purpose, this Lease shall terminate as of the date of such taking, and Rent shall be prorated to such date. If less than the whole of the Building or Premises is so taken, this Lease shall be unaffected by such taking, provided that (i) Tenant shall have the right to terminate this Lease by notice to Landlord given within ninety (90) days after the date of such taking if twenty percent (20%) or more of the Premises is taken and the remaining area of the Premises is not reasonably sufficient for Tenant to continue operation of its business, and (ii) Landlord shall have the right to terminate this Lease by notice to Tenant given within ninety (90) days after the date of such taking. If either Landlord or Tenant so elects to terminate this Lease, the Lease shall terminate on the thirtieth (30th) day after either such notice. The Rent shall be prorated to the date of termination. If this Lease continues in force upon such partial taking, the Base Rent and Tenant's Proportionate Share shall be equitably adjusted according to the remaining Rentable Area of the Premises and Project.
- b. In the event of any taking, partial or whole, all of the proceeds of any award, judgment, or settlement payable by the condemning authority shall be the exclusive property of Landlord, and Tenant hereby assigns to Landlord all of its right, title, and interest in any award, judgment, or settlement from the condemning authority. Tenant, however, shall have the right, to the extent that Landlord's award is not reduced or prejudiced, to claim from the condemning authority (but not from Landlord) such compensation as may be recoverable by Tenant in its own right for relocation expenses and damage to Tenant's personal property.
- c. In the event of a partial taking of the Premises which does not result in a termination of this Lease, Landlord shall restore the remaining portion of the Premises as nearly as practicable to its condition prior to the condemnation or taking, but only to the extent of Building Standard Work. Tenant shall be responsible at its sole cost and expenses for the repair, restoration, and replacement of any other Leasehold improvements and Tenant's Property.

## 21. INDEMNIFICATION.

- a. Tenant shall indemnify and hold Landlord harmless against and from liability and claims of any kind for loss or damage to property of Tenant or any other person, or for any injury to or death of any person, arising out of: (1) Tenant's use and occupancy of the Premises, or any work, activity, or other things allowed or suffered by Tenant to be done in, on, or about the Premises; (2) any breach or default by Tenant of any of the Tenant's obligations under this Lease; or (3) any negligent or otherwise tortuous act or omission of Tenant, its agents, employees, invitees, or contractors. Tenant shall at Tenant's expense and by counsel satisfactory to Landlord, defend Landlord in any action or proceeding arising from any such claim and shall indemnify Landlord against all costs, attorneys' fees, expert witness fees, and any other expenses incurred in such action or proceeding. As a material part of the consideration for Landlord's execution of this Lease, Tenant hereby assumes all risk of damage or injury to any person or property in, on, or about the Premises from any cause.
- b. Landlord shall not be liable for injury or damage which may be sustained by the person or property of Tenant, its employees, invitees, or customers or any other person in or about the Premises, caused by or resulting from fire, steam, electricity, gas, water, or rain which may leak or flow from or into any part of the Premises, or from the breakage, leakage, obstruction, or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning, or lighting fixtures, whether such damage or injury results from conditions arising upon the Premises or upon other portions of the Building or Project or from other sources. Landlord shall not be liable for any damages arising from any act or omission of any other tenant of the Building or Project.

## 22. TENANT'S INSURANCE.

- a. All insurance required to be carried by Tenant hereunder shall be issued by responsible insurance companies acceptable to Landlord and Landlord's lender and qualified to do business in the State. Each policy shall name Landlord, and at Landlord's request any mortgagee of Landlord, as an additional insured, as their respective interests may appear. Each policy shall contain (i) a cross-liability endorsement, (ii) a provision that such policy and the coverage evidenced thereby shall be primary and non-contributing with respect to any policies carried by Landlord and that any coverage carried by Landlord shall be excess insurance, and (iii) a waiver by the insurer of any right of subrogation against Landlord, its agents, employees, and representatives, which arises or might arise by reason of any payment under such policy or by reason of any act or omission of Landlord, its agents, employees, or representatives. A copy of each paid up policy (authenticated by the insurer) or certificate of the insurer evidencing the existence and amount of each insurance policy required hereunder shall be delivered to Landlord before the date Tenant is first given the right of possession of the Premises, and thereafter within thirty (30) days after any demand by Landlord therefore. Landlord may, at any time and from time to time, inspect and/or copy any insurance policies required to be maintained by Tenant hereunder. No such policy shall be cancelable except after twenty (20) days written notice to Landlord and Landlord's lender. Tenant shall furnish Landlord with renewals or "binders" of any such policy at least ten (10) days prior to the expiration thereof. Tenant agrees that if Tenant does not take out and maintain such insurance, Landlord may (but shall not be required to) procure said insurance on Tenant's behalf and charge the Tenant the premiums together with a twenty-five percent (25%) handling charge, payable upon demand. Tenant shall have the right to provide such insurance coverage pursuant to blanket policies obtained by the Tenant, provided such blanket policies expressly afford coverage to the Premises, Landlord, Landlord's mortgagee, and Tenant as required by this Lease.

\_\_\_\_\_ District \_\_\_\_\_ Recipient

- b. Beginning on the date Tenant is given access to the Premises for any purpose and continuing until expiration of the Term, Tenant shall procure, pay for and maintain in effect policies of casualty insurance covering (i) all Leasehold Improvements (including any alterations, additions, or improvements as may be made by Tenant pursuant to the provisions of Article 12 hereof), and (ii) trade fixtures, merchandise, and other personal property from time to time in, on, or about the Premises, in an amount not less than one hundred percent (100%) of their actual replacement cost from time to time, providing protection against any peril included within the classification "Fire and Extended Coverage" together with insurance against sprinkler damage, vandalism, and malicious mischief. The proceeds of such insurance shall be used for the repair or replacement of the property so insured. Upon termination of this Lease following a casualty as set forth herein, the proceeds under (i) above be paid to Landlord, and the proceeds under (ii) above be paid to Tenant.
- c. Beginning on the date Tenant is given access to the Premises for any purpose and continuing until expiration of the Term, Tenant shall procure, pay for, and maintain in effect worker's compensation insurance as required by law and comprehensive public liability and property damage insurance with respect to the construction of improvements on the Premises, the use, operation, or condition of the Premises, and the operations of Tenant in, on, or about the Premises, providing broad form property damage coverage for not less than Five Hundred Thousand Dollars (\$500,000) per person and One Million Dollars (\$1,000,000) each occurrence, and property damage liability insurance with a limit of not less than Two Hundred Fifty Thousand Dollars (\$250,000) each accident.
- d. Not less than every three (3) years during the Term, Landlord and Tenant shall mutually agree to increases in all of Tenant's insurance policy limits for all insurance to be carried by Tenant as set forth in this Article. In the event Landlord and Tenant cannot mutually agree upon the amounts of said increases, then Tenant agrees that all insurance policy limits as set forth in this Article shall be adjusted for increases in the cost of living in the same manner as is set forth in Section 5.2 hereof for the adjustment of the Base Rent.

**23. WAIVER OF SUBROGATION.**

Landlord and Tenant each hereby waive all rights or recovery against the other and against the officers, employees, agents, and representatives of the other, on account of loss by or damage to the waiving party of its property or the property of others under its control, to the extent that such loss or damage is insured against under any fire and extended overage insurance policy which either may have in force at the time of the loss or damage. Tenant shall, upon obtaining the policies of insurance required under this Lease, give notice to its insurance carrier or carriers that the foregoing mutual waiver of subrogation is contained in this Lease.

**24. SUBORDINATION AND ATTORNMENT.**

Upon written request of Landlord, or any first mortgagee or first deed of trust beneficiary of Landlord, or ground lessor of Landlord, Tenant shall, in writing, subordinate its rights under this Lease to the lien of any first mortgage or first deed of trust, or to the interest of any lease in which Landlord is lessee, and to all advances made or thereafter to be made thereunder. However, before signing any subordination agreement, Tenant shall have the right to obtain from any lender or lessor or Landlord requesting such subordination, an agreement in writing providing that, as long as Tenant is not in default hereunder, this Lease shall remain in effect for the full Term. The holder of any security interest may, upon written notice to Tenant, elect to have this Lease prior to its security interest regardless of the time of the granting or recording of such security interest.

In the event of any foreclosure sale, transfer in lieu of foreclosure, or termination of the lease in which Landlord is lessee, Tenant shall attorn to the purchaser, transferee, or lessor, as the case may be, and recognize that party as Landlord under this Lease provided such party acquires and accepts the Premises subject to this Lease.

**25. TENANT ESTOPPEL CERTIFICATE.**

Within ten (10) days after written request from Landlord, Tenant shall execute and deliver to Landlord or Landlord's designee, a written statement certifying (a) that this lease is unmodified and in full force and effect, or is in full force and effect as modified and stating the modifications; (b) the amount of Base Rent and the date to which Base Rent and additional rent have been paid in advance; (c) the amount of any security deposited with Landlord; and (d) that Landlord is not in default hereunder or, if Landlord is claimed to be in default, stating the nature of any claimed default. Any such statement may be relied upon by a purchaser, assignee, or lender. Tenant's failure to execute and deliver such statement within the time required shall at Landlord's election be a default under this Lease and shall also be conclusive upon Tenant that: (1) this Lease is in full force and effect and has not been modified except as represented by Landlord; (2) there are no uncured defaults in Landlord's performance and that Tenant has not right of offset, counter-claim, or deduction against Rent; and (3) not more than one month's Rent has been paid in advance.

## 26. TRANSFER OF LANDLORD'S INTEREST.

In the event of any sale or transfer by Landlord of the Premises, Building, or Project, and assignment of this Lease by Landlord, Landlord shall be and is hereby entirely freed and relieved of any and all liability and obligations contained in or derived from this Lease arising out of any act, occurrence, or omission relating to the Premises, Building, Project, or Lease occurring after the consummation of such sale or transfer, providing the purchaser shall expressly assume all of the covenants and obligations of Landlord under this Lease. If any security deposit or prepaid Rent has been paid by Tenant, Landlord may transfer the security deposit or prepaid Rent to Landlord's successor and upon such transfer, Landlord shall be relieved of any and all further liability with respect thereto.

## 27. DEFAULT.

27.1. *Tenant's Default.* The occurrence of any one or more of the following events shall constitute a default and breach of this Lease by Tenant:

- a. If Tenant abandons or vacates the Premises; or
- b. If Tenant fails to pay any Rent or any other charges required to be paid by Tenant under this Lease and such failure continues for five (5) days after such payment is due and payable; or
- c. If Tenant fails to promptly and fully perform any other covenant, condition, or agreement contained in this lease and such failure continues for thirty (30) days after written notice thereof from Landlord to Tenant; or
- d. If a writ of attachment or execution is levied on this Lease or on any of Tenant's Property; or
- e. If Tenant makes a general assignment for the benefit of creditors, or provides for an arrangement, composition, extension or adjustment with its creditors; or
- f. If Tenant files a voluntary petition for relief or if a petition against Tenant in a proceeding under the federal bankruptcy laws or other insolvency laws is filed and not withdrawn or dismissed within forty-five (45) days thereafter, or if under the provisions of any law providing for reorganization or winding up of corporations, any court of competent jurisdiction assumes jurisdiction, custody, or control of Tenant or any substantial part of its property and such jurisdiction, custody, or control remains in force unrelinquished, unstayed, or unterminated for a period of forty-five (45) days; or
- g. If in any proceeding or action in which Tenant is not a party, a trustee, receiver, agent, or custodian is appointed to take charge of the Premises or Tenant's Property (or has the authority to do so) for the purpose of enforcing a lien against the Premises or Tenant's Property; or
- h. If Tenant is a partnership or consists of more than one (1) person or entity, if any partner of the partnership or other person or entity is involved in any of the acts or events described in subparagraphs d through g above.

27.2. *Remedies.* In the event of Tenant's default hereunder, then, in addition to any other rights or remedies Landlord may have under any law, Landlord shall have the right, at Landlord's option, without further notice or demand of any kind to do the following:

- a. Terminate this Lease and Tenant's right to possession of the Premises and re-enter the Premises and take possession thereof, and Tenant shall have no further claim to the Premises or under this Lease; or
- b. Continue this Lease in effect, re-enter and occupy the Premises for the account of Tenant, and collect any unpaid Rent or other charges which have or thereafter become due and payable; or
- c. Re-enter the Premises under the provisions of subparagraph b and thereafter elect to terminate this Lease and Tenant's right to possession of the Premises.

If Landlord re-enters the Premises under the provisions of subparagraph b or c above, Landlord shall not be deemed to have terminated this Lease or the obligation of Tenant to pay any Rent or other charges thereafter accruing, unless Landlord notifies Tenant in writing of Landlord's election to terminate this Lease. In the event of any re-entry or retaking of possession by Landlord, Landlord shall have the right, but not the obligation, to remove all or any part of Tenant's Property in the Premises and to place such property in storage at a public warehouse at the expense and risk of Tenant. If Landlord elects to relet the Premises for the account of Tenant, the rent received by Landlord from such reletting shall be applied as follows: first, to the payment of any indebtedness other than Rent due hereunder from Tenant to Landlord; second, to the payment of any costs of such reletting; third, to the payment of the cost of any alterations or repairs to the Premises; fourth, to the payment of Rent due and unpaid hereunder; and the balance, if any, shall be held by Landlord and applied in payment of future Rent as it becomes due. If that portion of rent received from the reletting, which is applied against, the Rent due hereunder is less than the amount of the Rent due, Tenant shall pay the deficiency to Landlord promptly upon demand by Landlord. Such deficiency shall be calculated and paid monthly. Tenant shall also pay to Landlord, as soon as determined, any costs and expenses incurred by Landlord in connection

\_\_\_\_\_ District \_\_\_\_\_ Recipient

with such reletting or in making alterations and repairs to the Premises, which are not covered by the rent received from the reletting.

Should Landlord elect to terminate this Lease under the provisions of subparagraph a or c above, Landlord may recover as damages from Tenant the following:

- (1.) *Past Rent.* The worth at the time of the award of any unpaid Rent which had been earned at the time of termination; plus
- (2.) *Rent Prior to Award.* The worth at the time of the award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus
- (3.) *Rent After Award.* The worth at the time of the award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of the rental loss that Tenant provides could be reasonably avoided; plus
- (4.) *Proximately Caused Damages.* Any other amount necessary to compensate Landlord for all detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom including, but not limited to, any costs or expenses (including attorneys' fees) incurred by Landlord in (a) retaking possession of the Premises, (b) maintaining the Premises after Tenant's default, (c) preparing the Premises for reletting to a new tenant, including any repairs or alterations, and (d) reletting the Premises, including broker's commissions.

"The worth at the time of the award@ as used in subparagraphs 1 and 2 above is to be computed by allowing interest at the rate of ten percent (10%) per annum." The worth at the time of the award@ as used in subparagraph 3 above is to be computed by discounting the amount at the discount rate of the Federal Reserve Bank situated nearest to the Premises at the time of the award plus one percent (1%).

The waiver by Landlord of any breach of any term, covenant, or condition of this Lease shall not be deemed a waiver of such term, covenant, or condition or of any subsequent breach of the same or any other term, covenant, or condition. Acceptance of Rent by Landlord subsequent to any breach hereof shall not be deemed a waiver of any preceding breach other than the failure to pay the particular Rent so accepted, regardless of Landlord's knowledge of any breach at the time of such acceptance of Rent. Landlord shall not be deemed to have waived any term, covenant, or condition unless Landlord gives Tenant written notice of such waiver.

27.3 *Landlord's Default.* If Landlord fails to perform any covenant, condition, or agreement contained in this Lease within thirty (30) days after receipt of written notice from Tenant specifying such default, or if such default cannot reasonably be cured within thirty (30) days, if Landlord fails to commence to cure within that thirty (30) day period, then Landlord shall be liable to Tenant for any damages sustained by Tenant as a result of Landlord's breach; provided, however, it is expressly understood and agreed that if Tenant obtains a money judgment against Landlord resulting from any default or other claim arising under this Lease, that judgment shall be satisfied only out of the rents, issues, profits, and other income actually received on account of Landlord's right, title, and interest in the Premises, Building, or Project, and no other real, personal, or mixed property of Landlord (or of any of the partners which comprise Landlord, if any) wherever situated, shall be subject to levy to satisfy such judgment. If, after notice to Landlord of default, Landlord (or any first mortgagee or first deed of trust beneficiary of Landlord) fails to cure the default as provided herein, then Tenant shall have the right to cure that default at Landlord's expense. Tenant shall not have the right to terminate this Lease or to withhold, reduce, or offset any amount against any payments of Rent or any other charges due and payable under this Lease, except as otherwise specifically provided herein.

## 28. BROKERAGE FEES.

Tenant warrants and represents that it has not dealt with any real estate broker or agent in connection with this Lease or its negotiation except those noted in Section 2.c. Tenant shall indemnify and hold Landlord harmless from any cost, expenses, or liability (including costs of suit and reasonable attorneys' fees) for any compensation, commission, or fees claimed by any other real estate broker or agent in connection with this Lease or its negotiation by reason of any act of Tenant.

## 29. NOTICES.

All notices, approvals, and demands permitted or required to be given under this Lease shall be in writing and deemed duly served or given if personally delivered or sent by certified or registered U.S. mail, postage prepaid, and addressed as follows: (a) if to Landlord, to Landlord's Mailing Address and to the Building manager, and (b) if to Tenant, to Tenant's Mailing Address; provided, however, notices to Tenant shall be deemed duly served or given if delivered or mailed to Tenant at the Premises. Landlord and Tenant may from time to time by notice to the other designate another place for receipt of future notices.

**30. GOVERNMENT ENERGY OR UTILITY CONTROLS.**

In the event of imposition of federal, state, or local government controls, rules, regulations, or restrictions on the use or consumption of energy or other utilities during the Term, both Landlord and Tenant shall be bound thereby. In the event of a difference in interpretation by Landlord and Tenant of any such controls, the interpretation of Landlord shall prevail, and Landlord shall have the right to enforce compliance therewith, including the right of entry into the Premises to effect compliance.

**31. RELOCATION OF PREMISES.**

Landlord shall have the right to relocate the Premises to another part of the Building in accordance with the following:

- a. The new premises shall be substantially the same in size, dimension, configuration, decor and nature as the Premises described in this Lease, and if the relocation occurs after the Commencement Date, shall be placed in that condition by Landlord at its cost.
- b. Landlord shall give Tenant at least thirty (30) days written notice of Landlord's intention to relocate the Premises.
- c. As nearly as practicable, the physical relocation of the Premises shall take place on a weekend and shall be completed before the following Monday. If the physical relocation has not been completed in that time, Base Rent shall abate in full from the time the physical relocation commences to the time it is completed. Upon completion of such relocation, the new premises shall become the "Premises" under this Lease.
- d. All reasonable costs incurred by Tenant as a result of the relocation shall be paid by Landlord.
- e. If the new premises are smaller than the Premises as it existed before the relocation, Base Rent shall be reduced proportionately.
- f. The parties hereto shall immediately execute an amendment to this Lease setting forth the relocation of the Premises and the reduction of Base Rent, if any.

**32. QUIET ENJOYMENT.**

Tenant, upon paying the Rent and performing all of its obligations under this Lease, shall peaceably and quietly enjoy the Premises, subject to the terms of this Lease and to any mortgage, lease, or other agreement to which this Lease may be subordinate.

**33. OBSERVANCE OF LAW.**

Tenant shall not use the Premises or permit anything to be done in or about the Premises which will in any way conflict with any law, statute, ordinance or governmental rule or regulation now in force or which may hereafter be enacted or promulgated. Tenant shall, at its sole cost and expense, promptly comply with all laws, statutes, ordinances and governmental rules, regulations or requirements now in force or which may hereafter be in force, and with the requirements of any board of fire insurance underwriters or other similar bodies now or hereafter constituted, relating to, or affecting the condition, use or occupancy of the Premises, excluding structural changes not related to or affected by Tenant's improvements or acts. The judgment of any court of competent jurisdiction or the admission of Tenant in any action against Tenant, whether Landlord is a party thereto or not, that Tenant has violated any law, ordinance or governmental rule, regulation or requirement, shall be conclusive of that fact as between Landlord and Tenant.

**34. FORCE MAJEURE.**

Any prevention, delay or stoppage of work to be performed by Landlord or Tenant which is due to strikes, labor disputes, inability to obtain labor, materials, equipment or reasonable substitutes therefore, acts of God, governmental restrictions or regulations or controls, judicial orders, enemy or hostile government actions, civil commotion, fire or other casualty, or other causes beyond the reasonable control of the party obligated to perform hereunder, shall excuse performance of the work by that party for a period equal to the duration of that prevention, delay or stoppage. Nothing in this Article 34 shall excuse or delay Tenant's obligation to pay Rent or other charges under this Lease.

**35. CURING TENANT'S DEFAULTS.**

If Tenant defaults in the performance of any of its obligations under this Lease, Landlord may (but shall not be obligated to) without waiving such default, perform the same for the account at the expense of Tenant. Tenant shall pay Landlord all costs of such performance promptly upon receipt of a bill therefore.

### 36. SIGN CONTROL.

Tenant shall not affix, paint, erect or inscribe any sign, projection, awning, signal or advertisement of any kind to any part of the Premises, Building or Project, including without limitation, the inside or outside of windows or doors, without the written consent of Landlord. Landlord shall have the right to remove any signs or other matter, installed without Landlord's permission, without being liable to Tenant by reason of such removal, and to charge the cost of removal to Tenant as additional rent hereunder, payable within ten (10) days of written demand by Landlord.

### 37. MISCELLANEOUS.

- a. *Accord and Satisfaction; Allocation of Payments:* No payment by Tenant or receipt by Landlord of a lesser amount than the Rent provided for in this Lease shall be deemed to be other than on account of the earliest due Rent, nor shall any endorsement or statement on any check or letter accompanying any check or payment as Rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of the Rent or pursue any other remedy provided for in this Lease. In connection with the foregoing, Landlord shall have the absolute right in its sole discretion to apply any payment received from Tenant to any account or other payment of Tenant then not current and due or delinquent.
- b. *Addenda:* If any provision contained in an addendum to this Lease is inconsistent with any other provision herein, the provision contained in the addendum shall control, unless otherwise provided in the addendum.
- c. *Attorneys' Fees:* If any action or proceeding is brought by either party against the other pertaining to or arising out of this Lease, the finally prevailing party shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred on account of such action or proceeding.
- d. *Captions, Articles and Section Numbers:* The captions appearing within the body of this Lease have been inserted as a matter of convenience and for reference only and in no way define, limit or enlarge the scope or meaning of this Lease. All references to Article and Section numbers refer to Articles and Sections in this Lease.
- e. *Changes Requested by Lender:* Neither Landlord or Tenant shall unreasonably withhold its consent to changes or amendments to this Lease requested by the lender on Landlord's interest, so long as these changes do not alter the basic business terms of this Lease or otherwise materially diminish any rights or materially increase any obligations of the party from whom consent to such change or amendment is requested.
- f. *Choice of Law:* This Lease shall be construed and enforced in accordance with the laws of the State of California.
- g. *Consent:* Notwithstanding anything contained in this Lease to the contrary, Tenant shall have no claim, and hereby waives the right to any claim against Landlord for money damages by reason of any refusal, withholding or delaying by Landlord of any consent, approval or statement of satisfaction, and in such event, Tenant's only remedies therefore shall be an action for specific performance, injunction or declaratory judgment to enforce any right to such consent, etc.
- h. *Corporate Authority:* If Tenant is a corporation, each individual signing this Lease on behalf of Tenant represents and warrants that he is duly authorized to execute and deliver this lease on behalf of the corporation, and that this Lease is binding on Tenant in accordance with its terms. Tenant shall, at Landlord's request, deliver a certified copy of a resolution of its board of directors authorizing such execution.
- i. *Counterparts:* This Lease may be executed in multiple counterparts, all of which shall constitute one and the same Lease.
- j. *Execution of Lease; No Option:* The submission of this Lease to Tenant shall be for examination purposes only, and does not and shall not constitute a reservation of or option for Tenant to lease, or otherwise create any interest of Tenant in the Premises or any other premises within the Building or Project. Execution of this Lease by Tenant and its return to Landlord shall not be binding on Landlord notwithstanding any time interval, until Landlord has in fact signed and delivered this Lease to Tenant.
- k. *Furnishing of Financial Statements; Tenant's Representations:* In order to induce Landlord to enter into this Lease, Tenant agrees that it shall promptly furnish Landlord, from time to time, upon Landlord's written request, with financial statements reflecting Tenant's current financial condition. Tenant represents and warrants that all financial statements, records and information furnished by Tenant to Landlord in connection with this Lease are true, correct and complete in all respects.
- l. *Further Assurances:* The parties agree to promptly sign all documents reasonably requested to give effect to the provisions of this Lease.
- m. *Mortgagee Protection:* Tenant agrees to send by certified or registered mail to any first mortgagee or first deed of trust beneficiary of Landlord whose address has been furnished to Tenant, a copy of any notice of default served by Tenant on Landlord. If Landlord fails to cure such default within the time provided for in this Lease, such mortgagee or beneficiary shall have an additional thirty (30) days to cure such default; provided that if such

\_\_\_\_\_ District \_\_\_\_\_ Recipient

default cannot reasonably be cured within that thirty (30) day period, then such mortgagee or beneficiary shall have such additional time to cure the default as is reasonably necessary under the circumstances.

- n. *Prior Agreements; Amendments:* This Lease contains all of the agreements of the parties with respect to any matter covered or mentioned in this Lease, and no prior agreement or understanding pertaining to any such matter shall be effective for any purpose. No provisions of this Lease may be amended or added to except by an agreement in writing signed by the parties or their respective successors in interest.
- o. *Recording:* Tenant shall not record this Lease without the prior written consent of Landlord. Tenant, upon the request of Landlord, shall execute and acknowledge a "short form" memorandum of this Lease for recording purposes.
- p. *Severability:* A final determination by a court of competent jurisdiction that any provision of this Lease is invalid shall not affect the validity of any other provision, and any provision so determined to be invalid shall, to the extent possible, be construed to accomplish its intended effect.
- q. *Successors and Assigns:* This Lease shall apply to and bind the heirs, personal representatives, and permitted successors and assigns of the parties.
- r. *Time of the Essence:* Time is of the essence of this Lease.
- s. *Waiver:* No delay or omission in the exercise of any right or remedy of Landlord upon any default by Tenant shall impair such right or remedy or be construed as a waiver of such default.
- t. *Compliance:* The parties hereto agree to comply with all applicable federal, state and local laws, regulations, codes, ordinances and administrative orders having jurisdiction over the parties, property or the subject matter of this Agreement, including, but not limited to, the 1964 Civil Rights Act and all amendments thereto, the Foreign Investment In Real Property Tax Act, the Comprehensive Environmental Response Compensation and Liability Act, and The Americans With Disabilities Act.

The receipt and acceptance by Landlord of delinquent Rent shall not constitute a waiver of any other default; it shall constitute only a waiver of timely payment for the particular Rent payment involved.

No act or conduct of Landlord, including, without limitation, the acceptance of keys to the Premises, shall constitute an acceptance of the surrender of the Premises by Tenant before the expiration of the Term. Only a written notice from Landlord to Tenant shall constitute acceptance of the surrender of the Premises and accomplish a termination of the Lease.

Landlord's consent to or approval of any act by Tenant requiring Landlord's consent or approval shall not be deemed to waive or render unnecessary Landlord's consent to or approval of any subsequent act by Tenant.

Any waiver by Landlord of any default must be in writing and shall not be a waiver of any other default concerning the same or other provision of the Lease.

The parties hereto have executed this Lease as of the dates set forth below.
