

# The CHW Learning Hub:

A Free Digital Platform for CHWs Worldwide

## Mission:

To provide relevant and empowering resources based on the work of CHWs, advocates, and community members worldwide so that, hand in hand, we may lift each other up and improve our quality of life.

## What is the CHW Learning Hub?

A free, online platform dedicated to supporting the professional growth, peer connection, and capacity building of Community Health Workers.

## Built for CHWs, by CHWs

### Educational Materials & Resources

Bilingual, expert-reviewed, and easy to access

### Innovative Tech:

24/7 AI-powered support and personalized recommendations

### Mobile Friendly

Desktop and mobile access with offline resource download

## Why Now?

A 2022 global needs assessment showed CHWs needed a centralized space for skill-building and support. The CHW Learning Hub responds to that call, supporting CHWs in their vital roles addressing social determinants of health.

## What's Next?

- Peer Support Forum: A moderated, topic-based space to share stories and resources
- Integrated training access and certificate tracking
- My CHW Space: To build a professional profile, track training, connect with others
- Additional tools and features for agencies and organizations

## Who It Serves:

- CHWs seeking tools, connection, and growth
- CHW supervisors needing leadership resources
- Organizations integrating CHWs into healthcare systems
- Communities striving for health equity
