ATTEST:

Mark Matthews, Chair Finance & Administration Committee/Treasurer Desert Healthcare Foundation Board of Directors

Minutes respectfully submitted by Andrea S. Hayles, Clerk of the Board

Date: May 22, 2018

To: Board of Directors

Subject: FY 18-19 Annual Budget

Staff Recommendation:

 Discussion and consideration to approve the FY18-19 Annual Budget for the Desert Healthcare District/Foundation.

Discussion

• The proposed Budget continues to align with the Board's Vision, goals, and objectives as established in its comprehensive, three-year Strategic Plan.

- The proposed Budget implements policy incorporated in Year Two of the threeyear plan Strategic Plan.
- Highlights of the FY18-19 Budget
 - Per the vote of the Board of Director's for the East Valley Expansion Funding Sources, the \$1M Avery Trust funds are to be committed to the Expansion Funding. The funds currently reside in the District's Facilities Reserve Fund.
 - Options to consider: 1) Transfer the \$1M from the District to the Foundation via grant expense in FY18. This is included in the proposed FY18-19 Budget. The \$1M transfer is included under Projected 6/30/18 Budget line item 7010 Programs and Grants on the District Budget and line item 4003 Avery Trust Transfer on the Foundation Budget. 2) An alternative is to transfer \$50,000 per year of the Avery Trust funds per year to match the annual commitment for 20 years.
 - The Foundation Budget includes \$300,000 Grant Expense associated with the East Valley Expansion Funding. The schedule of Sources at the bottom of Page 4 of the Foundation budget highlights the sources of funding. Some are from Income Statement sources, while others derive from Balance Sheet sources (i.e. Investment Accounts and Avery Trust \$\$).
 - Staff recently learned the Solar Rebate received by the District was a 6-year program and has expired. As a result, the \$25,000 annual commitment to support the \$300,000 Grant Expense of the Foundation will be replaced by other sources highlighted on Page 4 of the Foundation Budget.
- At the May 8, 2018 Finance & Administration Committee meeting, the budget was reviewed by the Committee and recommended to forward to the Board of Directors for consideration of approval.

To: Board of Directors - Foundation

Subject: CVHIP

Staff Update:

Staff is pleased to update the Board of Directors that the CVHIP marketing plan is in full swing and will officially kick off Monday May 21st at 10 o'clock.

Alejandro Espinoza, Program Officer and Director of Outreach, will work from an aggressive workplan to reach out to the community of service providers to bring further awareness of CVHIP and to provide collateral to disseminate to the general populations being served. (Examples will be presented to the Board as a handout)

Staff is also working with service providers and the County to identify further resources to be added to the CVHIP database platform.

The Phase One marketing plan is scheduled from May through August. During this timeframe, Staff will track user rates and analyze spikes and lows to determine if they are directly correlated to user experiences of media coverage. Reporting will begin at the June 26 Foundation meeting.

To: Board of Directors - Foundation

Subject: Ready Set Swim Program Year 5

Strategic Priority 3. Community Health and Wellness: Healthy Eating, Active

Living & Quality, Safety, Accountability and Transparency.

Strategy 3.7. Program and Service Collaboration: Develop partnerships with other health and social service providers that leverage and build on existing initiatives that are underway in the

community to build programs and services addressing the

prioritized Community Health Focus Areas.

Staff recommendation:

Consideration and discussion of transitioning the Ready Set Swim program to an existing program partner, Desert Recreation District. This recommendation is built on the past success of the District/Foundation identified incubated programs, taken to a point of stabilization and predictability for cost of services and program outcomes.

Background:

Program was driven from these key facts:

- 1. If a child doesn't learn to swim before the 3rd grade, they likely never will.
- 2. Drowning ranks fifth among leading causes of unintentional injury death.

Ready Set Swim program runs from September - May annually.

A total of **2,582** 3rd grade students in 14 elementary schools have participated over the last 4 years.

2014/15: 441 students in Desert Hot Springs and Palm Springs

2015/16: 709 students in Cathedral City, Desert Hot Springs and Palm Springs

2016/17: 722 students in Cathedral City, Desert Hot Springs and Palm Springs

2017/18: 710 Projected totals in Cathedral City, Desert Hot Springs and Palm Springs

Funding: the project was funded by the collective fund initiative approved September 2013 and quickly matched by Palm Springs City Event in 2014 and continued in 2015 and 2016. To date the DHCD/F has invested \$270,000 and received matching funds of \$305,000.

Expenses: To date the current combined expenses for the past 4 years of operations totals \$495,504. The program is projected to spend-down the remaining balance of all funds, \$80K.

Key Considerations:

The program is currently being operated at two pools, Boys and Girls Club Palm Springs and the Furbee Pool (DHS). Both charge a usage fee. Annual combined average of \$25K.

Palm Springs Unified School District has supported the program In-Kind through the donation of all transportation services of students to the pools.

DHCD Staff time allocation: September - June 1. Alejandro at 12-15 hours weekly .34FTE * * Board Approved - this position has been assumed by Vanessa effective April 1, 2018 to facilitate the transformation of the strategic plan and Alejandro's new role and responsibilities as Program Officer and Outreach Director.

Desert Recreation District has played a key contract role since inception of the program and receives the majority of annual funding for program operations and pool fees. This program was leveraged for the creation and funding of Ready Set Swim Junior (RSSJ)- funded by First 5 Riverside in 2016-17 and 2017-18.

We will have used all matched funds by June 2018 and to continue the program internally we will require the time to either find alternative funding or self-fund the program.

Fiscal Impact:

Based on approval from both the Desert Healthcare District Board and Desert Recreation District Board, the District would provide grant funding for two years (2018-19 and 2019-20) \$260,000 (\$130,000 each year) * This is subject to RSSJ renewal and transitioning to the Desert Recreation District for 2018-19 and 2019-20 to continue the program in its whole and leverage of funds.

Grant Budget will include all pool fees and administration duties performed by the DHCD/F staff in past years
